# THE SUBVERSIFS

As subversives, we like to do things our way; parsnip in our gin, a reduced, forgotten alcohol from the Quebec terroir, a cream of mint with the taste of the day or a traditional vodka. Our spirits are the representative of our mission as an independent distiller who is to propose fine alcohols, with unexpected flavors and aromas, purely subversive. Let's raise our glass!

## MARIE-VICTORIN GIN'S

Our Gin Marie-Victorin is slowly distilled in our still, which gives it an exceptional quality. The traditional botanicals with parsnips give it a slight bitterness and lift an oral fragrance that subtly coats the mixture.

Alcohol Content 43%

Volume Available 750 ml

## LÉO'S RED

Léo's Red, a sweet liqueur that can be enjoyed both hot and cold, is produced from our renowned Marie-Victorin Gin and pure maple syrup. A perfect blend of our Gin and a high quality maple syrup carefully select the best region of Quebec.

Alcohol content 23%

Available volume 750 ml

## IRMA'S VODKA

Following the most natural manufacturing tradition, our "Made in Quebec" Irma Vodka is made from pure demineralized water to create a crystalline drink with a silky texture. Its sweetness offers a seductive experience, while its purity makes it the perfect ally of any cocktail worthy of the name.

Alcohol content 40%

Available volume 750 ml

## ISABELLE'S MINT CREAM

Isabelle's Mint Cream is made from a blend of grain eau-de-vie and organic mint leaves grown in Quebec. This liqueur is the botanical expression of a rich and tasty terroir, typically Quebec. To be enjoyed in a cocktail or simply on ice.

Alcohol content 24%

Available volume 750 ml
